

Miami Beach, Florida

The Palms Hotel & Spa

Undoubtedly one of Miami's most popular oceanfront destinations, The Palms Hotel & Spa embraces and values environmental consciousness; it's a philosophy implemented throughout the entire property. Nature infuses every detail, offering an experience that is difficult to find elsewhere. Highlights include beautiful white-sand beaches, lush tropical gardens, a luxury lifestyle Aveda spa, and locally sourced gourmet cuisine at the property's signature restaurant, Essensia.

Weddings here are unparalleled. Your event will exude relaxed elegance, whether you marry oceanfront or in the botanical gardens.

Ceremonies and receptions can take place indoors or out. Exchange rings in a picturesque colonial-style gazebo surrounded by an exquisite private lawn, then sip cocktails on the covered Veranda Terrace, or host a gala affair in one of two beautifully appointed ballrooms. The highly trained catering team will meld style, function, service and convenience to exceed your expectations. Expect specialty food and drink menus, customized wedding packages, stylized venues and impressive décor options.

The onsite catering and concierge team can schedule tempting pre- and post-wedding activities for your entire party. Spend a day at the in-house Aveda spa, host a poolside champagne rehearsal barbecue, or send off your guests with a bon voyage brunch. The AAA Four Diamond property is located in the heart of Miami Beach and just a short cab ride from the luxe SOBE scene.
